HERITAGE CLUB

So much of what you do becomes part of the lives you touch. The example you set. The traits they see in you and seek to reflect. But what if it were possible to have the good you do live on forever.

That's the mission of the Heritage Club, to enable men and women who share the YMCA's ideals and traditions to ensure these values continue for future generations. The YMCA Heritage Club's purpose is to encourage thoughtful gifts as a primary means of building a strong endowment capable of providing lasting support for the YMCA's mission and then to recognize members whose leadership, service, and devotion to the YMCA have created this heritage.

A commitment to Heritage Club membership is the greatest statement of support to the mission of the YMCA that a friend of the Y can make and becomes the catalyst for more good than could ever be done on your own.

In a world where so much comes and goes so quickly, the YMCA has lasted. It is community based, professionally managed

and able to meet the changing conditions of the future. Every day, it promotes the healthy development of children, builds positive behavior in teens and emphasizes core values of caring, honesty, respect, and responsibility for self and others.

Your endowment gift helps make our community a safe and healthy place for children, families, teens, and adults to live. Since this generous gift is for now and the next generation, you are helping in perpetuating the work of the YMCA. At the same time, you help to secure your family's future through the financial benefits of your gift.

Your gift is one of the most important things you do for others in your lifetime. It touches so many lives and is one of the few things you can do now to make sure the good you do lives on forever.

HOW DO I QUALIFY FOR HERITAGE CLUB MEMBERSHIP?

The Heritage Club is composed of individuals from all backgrounds, communities, and walks of life who have made an outright or planned gift to the YMCA's endowment fund in one of the following ways:

An outright gift of cash- In this way, each member not only benefits from the good that will be done but current income tax savings.

An outright gift of appreciated assets- Contributing such items as stock or property owned for longer than one year, you would receive a charitable deduction equal to the current value of the asset while avoiding capital gains taxes.

A life insurance gift- Naming the YMCA as a primary or secondary beneficiary of your policy paves the way for a large future gift. Should you wish to name the YMCA as a beneficiary on your life insurance policy, you could realize substantial income tax deductions.

A gift through your will- You may wish to consider including the YMCA in your will or living trust. In this way, a fixed amount, specific asset or percentage of your estate may be set aside as bequests and qualify for estate deductions.

A gift made through a charitable trust or annuity- Creating a charitable trust or annuity provides life income for yourself and/or others. With all or a portion of your gift eventually directed to the YMCA you could receive a charitable deduction.

WHY SHOULD I GIVE?

While there are as many reasons as there are YMCA Heritage Club members, perhaps the most common is: "Just because it feels good."

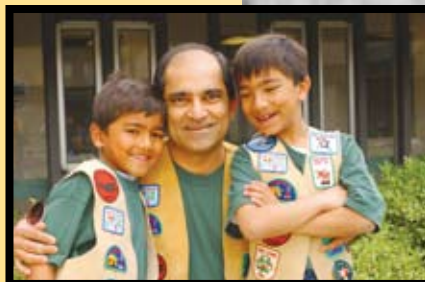

Care for the child and you'll form a family. Form a family and you'll create a community. The healthiest and happiest of these uphold an ethic of "giving back." Individuals and organizations striving together according to their gifts and talents toward the betterment of all.

With your help, we can create a promising today and a brighter tomorrow for kids, families and communities. That is the purpose, the mission of the YMCA Heritage Club: so the good you do lives on forever.

WHICH WILL BE THE BEST GIVING PLAN FOR YOU?

Consult your own legal and/or financial advisors, then ask your YMCA representative to assist you in selecting a gift opportunity that best expresses your generosity.
